"Type" Collecting

1. What is "type" collecting?
2. How many "type" sets can be assembled?
3. Could a "type" set of just 1913 Buffalo Nickels be assembled?
4. Is it possible to make a "type" set of a single denomination?
5. What is a minor "type set"?
6. How "specialized" can a "type" set be?
7. How many "types" of half dollars are in 20th Century Type Set?
8. How many years of Statehood Quarters are in the 20th Century Set?
9. How many five cent nickel "types"?
10. Which is the last dollar "type" in that set?
