First of its kind!!!

The 2019 United States Mint Silver Proof Set features 10 proof coins encased in two clear plastic lenses in a beautifully designed package you'll be proud to display. The quarters, dime, and half dollar are minted in 99.9 percent silver. The 2019 Silver Proof Coin Set is a great addition to any collection.

The 2019 edition of the United States Mint Silver Proof Set includes the following coins:

- **The 10th annual release of silver versions of the five America the Beautiful Quarters® Program coins** honoring Lowell National Historical Park in Massachusetts; American Memorial Park in the Northern Mariana Islands; War in the Pacific National Historical Park in Guam; San Antonio Missions National Historical Park in Texas; and Frank Church River of No Return Wilderness in Idaho.
- **One Native American \$1 Coin** with a reverse design (tails) featuring Mary Golda Ross writing calculations. Behind her, an Atlas-Agena rocket launches into space, with an equation inscribed in its cloud. An astronaut, symbolic of Native American astronauts, including John Herrington, spacewalks above. In the field behind, a group of stars indicates outer space. Inscriptions are "UNITED STATES OF AMERICA" and "\$1." The obverse design (heads) retains the central figure Sacagawea carrying her infant son, Jean Baptiste. The inscriptions are "LIBERTY" and "IN GOD WE TRUST."
- **One silver** Kennedy half dollar
- **One silver** Roosevelt dime
- **One** Jefferson nickel
- **One** Lincoln penny
- Accompanied by a **Certificate of Authenticity**
- **New this year! Premium Coin:** The 2019 Silver Proof Set is accompanied by an additional 2019 Lincoln penny with a reverse proof finish struck at the West Point Mint with a "W" mint mark. This special coin is packaged separately in clear United States Mint plastic wrap.

This is the second of three annual sets to include an additional, separately packaged premium penny with a "W" mint mark in 2019. The United States Mint Proof Set® includes an additional premium penny with a proof finish and the United States Mint Uncirculated Coin Set® will include an additional premium penny with an uncirculated finish.
